

TEAM CAPTAIN TOOLKIT

RALLY YOUR TEAM

This includes assets to invite your colleagues and is meant to make building your team as easy as possible:

Invite email

A customizable email that you can use to invite your team during registration.

Office poster

A printable poster for you to put up in your office to encourage excitement and signups.

Messaging app post

A digital asset to share on your company's internal messaging platform.

Shirt logos

Corporate Challenge logos to be used when creating your company team shirts.

Know before you go template

After you finalize your team, customize this email with any relevant information to get your colleagues ready for event day.
