No. Each participant must attend on the night that the team captain has chosen. Race bibs will only be activated on the team's assigned night.

WILL THERE BE OFFICIAL RACE RESULTS?

Yes. The J.P. Morgan Corporate Challenge® is a timed race. Results are posted using the participant's chip time (net time) collected on their race bib. Typically, complete team results from a particular city will be on this website approximately 2-4 weeks following the completion of the event. We appreciate your patience with this, as every entrant's eligibility requirements must be screened.

I HAVE A QUESTION ABOUT MY INDIVIDUAL RESULTS. WHO CAN I CONTACT?

If you feel there is a discrepancy in the results, please contact us at support@jpmorganchasecc.com with your full name, company name, and bib number. We will investigate immediately and get back to you.

WHAT IS THE DIFFERENCE BETWEEN CHIP TIME (NET TIME) AND GUN TIME?

Chip time or net time starts when you run over the start mats and ends when you run over the finish mats and is recorded with the chip located on all race bibs. Gun time starts when the air horn goes off to begin the race and ends when you run over the finish mats.

HOW ARE THE RESULTS COMPILED?

We score three categories – Men's Team (four men), Women's Team (four women), Mixed Team (two men, two women). It is the responsibility of the the team captain to determine what participants go on which teams after the race using the online Captain Tools. Team captains cannot place an employee on two separate scoring teams. Team captains are not required to place all of your runners on teams.

WHAT IS A SCORING TEAM?

A scoring team is made up of either four (4) males, four (4) females, or two (2) males and two (2) females. These teams will be made up of the four (4) fastest runners in each scoring category. The team captain will be able to create and submit the scoring team using Captain Tools.

IS THERE A MAXIMUM TEAM SIZE?

While we strive to accommodate teams of all sizes, we also want to make sure everyone has the ability to run. The Series team reserves the right to limit the team size based on capacity.

WHY IS IT IMPORTANT TO WEAR A RACE BIB?

Your race bib is the only way we can properly identify you on-course. This becomes critically important in the event of a medical emergency. Our event is also covered extensively by the media and through on-course race photography and we strive to report 100-percent accurate information. Your race bib contains your timing chip and because of this, race numbers are absolutely non-transferrable.

WHERE SHOULD I WEAR MY RACE BIB?

Please pin it to the front of your company's race t-shirt. If you do not wear a race bib, you and your company risk disqualification from the J.P. Morgan Corporate Challenge®.

WHAT HAPPENS IF I LOSE MY RACE BIB?

Please have your team captain contact the J.P. Morgan Corporate Challenge® Customer Service team for your city so they may better assist you.
