WHY IS IT IMPORTANT TO WEAR A RACE BIB?

Your race bib is the only way we can properly identify you on-course. This becomes critically important in the event of a medical emergency. Our event is also covered extensively by the media and through on course race photography and we strive to report 100-percent accurate information. Your race bib contains your timing chip and because of this, race numbers are absolutely non-transferrable.

WHAT DOES MY BIB COLOR MEAN?

Your bib colour determines which wave group corral you will start in.

WHAT IF MY PROJECTED PACE HAS CHANGED FROM WHEN I REGISTERED?

You are able to move yourself to a later start wave corral by simply moving back to a later start wave. You may not move to a faster start wave and doing so risks disqualification for timing and scoring reasons.

Scoring

HOW DO I QUALIFY TO COUNT FOR MY COMPANY TEAM?

Participants will be automatically organised into 4-person male, female, and mixed teams based on the chip times. Each name will be assigned to only ONE team.

The Team Captain will determine the composition of the male, female and mixed teams representing his/her company AFTER the race. The score for each team is obtained by adding together the finish times for all four members.

Teams must be organised online using [Captain's Tools](#) and in accordance with the scoring rules located [HERE](#).

HOW ARE THE RESULTS COMPILED?

We score three categories – Men's Team (four men), Women's Team (four women), Mixed Team (two men, two women). It is the responsibility of the Team Captain to determine which participants go on which teams after the race using the online [Captain's Tools](#). Team Captains cannot place an employee on two separate scoring teams. Team Captains are not required to place all runners on teams.

WHAT IS A SCORING TEAM?

A scoring team is made up of either four (4) males, four (4) females, or two (2) males and two (2) females. These teams will be made up of the four (4) fastest runners in each scoring category. The Team Captain will be able to create and submit the scoring team using the [Captain's Tools](#).
