

#RemixTheRun

POST-EVENT PARTY KIT

The J.P. Morgan Corporate Challenge Virtual would not be complete without a post-event closing celebration! Use our Post-Event Party Kit as you remix this year's post-race festivities with your teams virtually, from the comfort of your home. Here's a list of fun ideas to get you started.

Set the Time

Send a meeting invite for a team call (video preferred) to connect after the run is over

Compete

Check the Leaderboard and celebrate your company's top finishers

Discover who ran the greatest number of times throughout the event days

Invite your team to contribute their favorite running / workout songs to a collaborative playlist

Tune In

Remind your team to use #JPMCC #RemixTheRun throughout the event when posting their photos and videos. Tune in on 11/13 to watch our highlight reel to see if your team is featured!

Music

Ask musicians from your company to play a virtual show for your team

Food & Drink

Send redemption codes to your teammates from your favorite food delivery app

Using #JPMCC #RemixTheRun, post on social to show the global Corporate Challenge community how you and your team are closing out this year's event

#JPMCC
#RemixTheRun

Create Your Post-Event Party

Ask a coworker chef to teach your team how to make their favorite post-workout snack

Pour your favorite local drink and share your choices with your team*
